In the park before 7:00. Like yesterday there were cold mists and low hanging clouds and ghostly vapors everywhere. Better than yesterday the sun was shining.

Even Murray was impressed, forgetting at least for a while that he was dinged and dirty with squashed bug yuck and hadn't killed a bird since Day 2.

Trail to Tower Falls

Critter.

The Lower Falls

Yellowstone River Gorge

Bison dotting the hillside fields

Bison playing chicken (we always let them win)

An early lunch at Yellowstone Lake

To be continued...
