Here are some miscellaneous critters we saw.

Prairie dog near Chimney Rock.

Elk run wherever at Grand Canyon.

Lizard on the canyon rim.

Squirrel at Hermit's Rest.

Fuzzy, Hopi, Camo-Cicadas. These were on the Hopi Culture Center sign. But when they are on the hotel porch they are virtually invisible. Must have evolved over the millennia at El Tovar. On the porch.

Hotel front yard.

Cootie game model at Grandview Point (Grand Canyon).

Three ravens hold a vulture hostage.

Canyon de Chelly lizard.

Thistle-Velvet Ant (another female wasp deal) scampering around Canyon de Chelly.

Free range horses near bluff.

Dog.
